Dear

To further assist the group with the request, please fill out the attached "Acequia Assistance Request" form and return to NRCS.

The Acequia association must provide a copy of their bylaws showing that the group is organized and operated as a community ditch as defined by state statute.

In addition, all three commissioners (i.e. Chair, Secretary, and Treasurer) must concur with the request and provide appropriate signatures.

Once NRCS receives the request, we will schedule a site visit and discuss the planning process.

Please note that if the "Acequia Assistance Request Form" is not returned or if there is no action by the Acequia group within six months of the initial visit, the project will be moved to the bottom of the Acequia request list.

If you have any questions, please contact

Thank you,
